® MAGNOLIA
& Co. 

Magnolia and Co. is an exceptional women's fashion boutique located in the beautiful, tree-lined streets of San Luis Obispo. With a small town feel that exudes big city fashion, Magnolia has been changing the SLO-town fashion game for over 20 years. We are a small, female-run business who focuses on selling trendy clothes to college-age women and are always on top of the latest fashion movements. At the moment, we're selling lots of bohemian-style dresses and skirts, while also offering a wide array of shoes, tops, bottoms, bikinis, and anything you can dream of.
